RACE DAY AWARDS

Region 10 will provide the following race day awards

Heats – Ribbons for 1st – 2nd – 3rd

Main Events – 50% of main event participants to a maximum of 4 Jrs / 5 Srs

Novices – participation award for all drivers entered

ADVANCING

Novices will not carry points into a competitive class.

Transfers due to age – transferring drivers will carry points forward to 5 less than last place with the same number of races.

Transfers due to weight will be allowed one time in the series. Points will not be transferred.

Transfers will be moved to the new class and the standing in the class will be determined.

ROOKIES

There will be a Jr. Honda Rookie and a Sr. Honda Rookie.

To be eligible for Regional Series rookie a driver must start the series as a novice or have ended the prior season with only one race in a competitive class. A novice driver who runs the last Regional race in a competitive class will retain rookie eligibility for the following year. It will be the responsibility of the handlers to notify the Regional Tower Director of eligibility for Series Rookie.

In the first year of rookie eligibility, the rookie will be the driver with the highest average points. Must run 2 races in Jr Honda or Sr Honda in the series.

SERIES TIE BREAKERS

In the event of a tie within a class/division for the overall championship, the tie will be broken in the following order:

1. Greatest number of main event wins in the series.
2. Greatest number of 2nd place main event finishes in the series.
3. Greatest number of 3rd place main event finishes in the series.
4. Greatest number of 4th place main event finishes in the series.
5. Greatest number of heat race wins in the series

RAIN DATES

Any Region 10 series date that must be canceled due to weather will be called (canceled) no later than noon, on the Friday preceding the race. The decision to cancel the race will be based on the best forecast available at that time. Races that have not been canceled by noon on Friday and find rain on Saturday morning will be considered canceled if cars cannot be on the track by 10:30 a.m.

Events rained out prior to the completion of the heat races, will be considered canceled and rescheduled to a full event.

Race events affected by weather midway through the program will be considered a completed event if all classes present have completed their heat races. In this case, only heat race points will be awarded to the driver's points total for this event.

If a majority of the main events have been completed, the event will be considered complete and points will be awarded according to the point table to drivers in those classes completing their main events. Drivers of classes that did not complete a main event, will be each be awarded first place points provided they meet the requirement to establish a class

Canceled races will be rescheduled to the next available rain date.
